

Why Premium?

Rechtbijstandvoorondernemers.nl
Juristen | Fiscalisten | Mediators

The top 6 reasons:

- N°1 The service is of a **higher quality than the standard** used by the competition.
- N°2 **You are never a number** and you can therefore communicate directly with a **permanent contact person**.
- N°3 **We do not use chatbots** and do not put you on hold at customer service.
- N°4 We offer the most **extensive opening hours** (including evenings and weekends). Does it not suit you? Then we adapt to your schedule.
- N°5 **Your interests** and therefore no other interests **always come first** when handling your case.
- N°6 We know our stuff and this means that we offer through **guarantees**.

The legal all-in solution for your company.

Business **Premium** Legal Assistance is characterized by higher quality requirements and an emphasis on various additional benefits.

These advantages arise from the fact that legal assistance will not only be provided when things go wrong, but the focus is also on offering an **all-in total solution in combination with the highest possible service level**.

In most cases, Premium will be more expensive than 'normal' legal assistance. **If you want the best for your company, Premium is the only right choice.**

Three packages. All more than Premium.

- N°1 **Premium**
Our most highly rated package for the self-employed professional.
- N°2 **Premium Plus**
Our most chosen solution that is suitable for partnerships or small BV.
- N°3 **Enterprise**
Everything we have to offer with the highest standards.
